

# HBA HR

**HBA Consulting** now offers a dedicated Human Resource Management consulting service - **HBA HR**. This complements the well known industrial relations and workplace investigations services we provide to clients.

**HBA HR** has been established to enable HBA Consulting to now offer an extensive range of HR advisory services to organisations in both the public and private sectors. **HBA HR** offers the highest level of experience and professionalism, with a strong focus on delivering quality advice and assistance to our clients. .

**HBA HR** provides a range of advice and assistance including:

- Establishment, classification & organisational structure & job design reviews
- Work Level Standards design, review & redrafting
- HR Policy & procedures review & development for all HR practice areas, including the development of policies to support your Agency Agreements implementation
- Performance Management system development and review
- Strategic, tactical and operational HR planning linked to business outcomes
- Facilitation and training services
- HR governance design and review.

**HBA HR** has a strategic alliance with Piazza Research, the ACT's first & only Market Research Company to achieve ISO 20252 Quality accreditation, to provide a range of qualitative and quantitative HR research services, including staff, customer satisfaction and issues based 'pulse' surveys.

Please contact Gary Champion (**Ph: 02 62590712**) if you would like to find out more about **HBA HR**
